...IT'S YOUR MOVE!

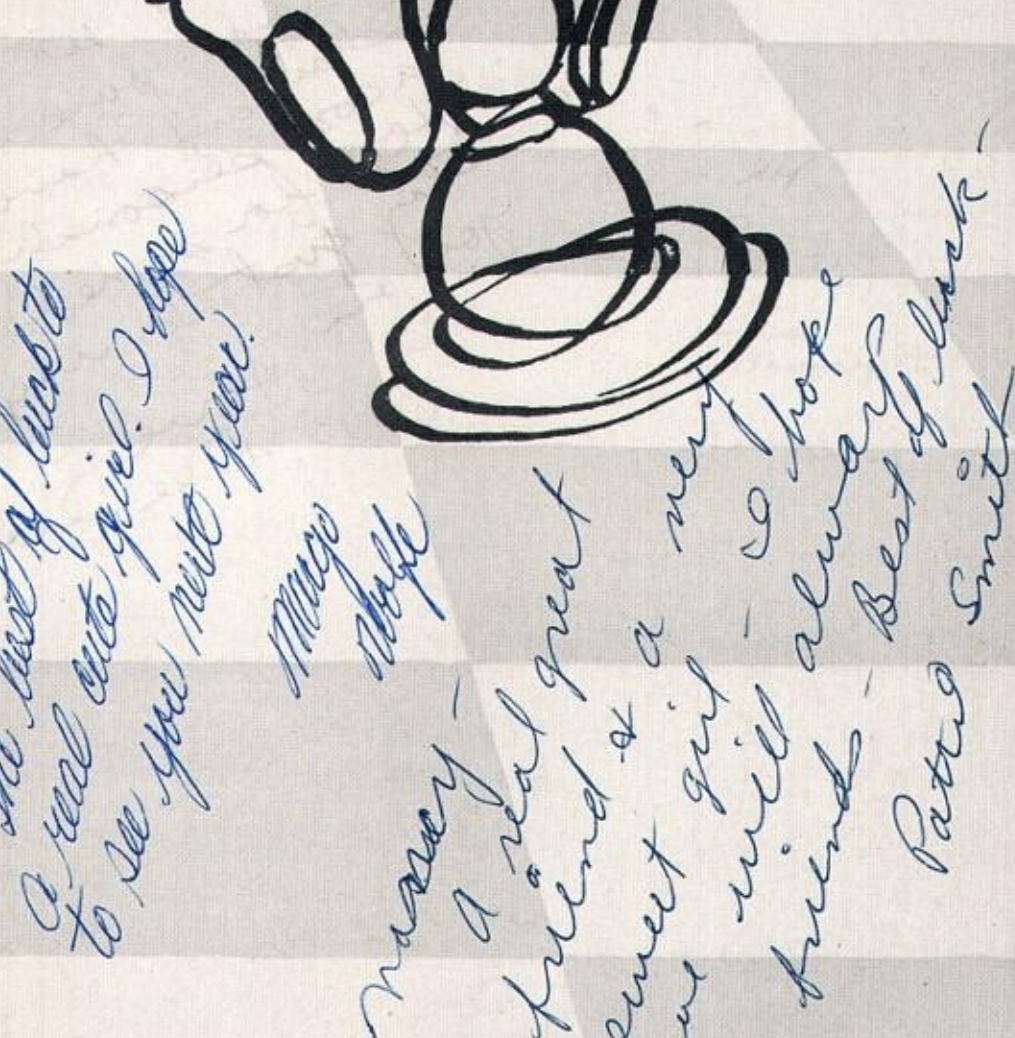

The words and photographs of this book cannot entirely recapture the laughter or happiness and experiences of our high school years; they can only hope to ignite a small blaze of memories on the part of the reader.

September 13, 1948 opened the doors of Westchester High School. Now we are separating. We were brought here to face older ideas, new problems and challenges. We are leaving these things as a flame in our memory, only to start out again, fresh and new.

We can never forget the good times, friends and love we all share for this our Alma Mater.

We on the Annual Staff could
 single out one person to which to
 dedicate this book, but with respect,
 admiration and affection, we dedi-
 cate FLIGHT '56 to our outstanding
 administration, faculty, and students
 (both graduated and in graduation to
 come) for their sincerity, devotion,
 spirit and love that have made West-
 chester High the wonderful place that
 it is; both scholastically and socially.

We, of the Annual Staff, hope that
 you find this the most memorable and
 outstanding book we have had.

Dear Mrs. McKee,

The students of Westchester High wish to express their appreciation for your understanding and guidance these past years. We know that the welfare and the happiness of each student has been first in your mind. We the graduating class of Summer '56 realize that without your undying that this school, Westchester High, spirit, understanding and enthusiasm could never have been what it is. Although many of us will not return to this school or the new school, we will never forget the many activities and good times we have shared.

Again the students of Westchester, the Praetorians and Olympians thank you for your kind understanding and interest in our every need and class activity.

PRAETORIAN CLASS SONG
 All hail Praetorians
 The summer class of '56
 We stand for loyalty and right,
 We'll prove our spirit,
 You'll hear our song of victory,
 Bring out that banner bright
 Our colors coral and white
 For truth and right,
 New roads of service
 No one will ever cease to try
 We'll work to keep our goals
 ever high, forever,
 Faithful in trust we'll be
 Through lasting loyalty,
 All hail Praetorians,
 WE PLEDGE OURSELVES TO THEM.
